Combat			
Sustained Damage	Mmph. That smarts!	[wince] Gonna take more than that!	You'll pay for that!
	Hey, knock it off!	Taking fire!	A lucky shot ...
	[wince] Can't we talk about this?	[wince] That's the best you can do?	Barely a scratch.
Call for Assistance	Little help here!	I need backup, now!	I require aid.
	Could use a hand, gang!	Rally on me!	A little help, if you please!
	C'mere quick!	Square up on me!	Requesting assistance. Reluctantly.
Down Enemy	Ha! That's what I thought!	Target neutralized.	Pitiful.
	Yeah, eat it!	Mark eliminated.	Another one falls ...
	One down!	Stay down.	Hardly a challenge.
Rez Teammate	Hey, wake up!	On your feet.	You're done resting, yes?
	Still got work to do, pal.	Get back in the fight!	Wounded, were we?
	What, ya sleepy? Get up!	Get up. It's not over yet!	Ugh, must I do everything?
Victory	Well, that wasn't so hard!	Mission accomplished.	Never in doubt.
	Doesn't get any smoother than that!	Nothing can take us down. <i>Nothing</i> .	Over so soon? Pathetic.
	Were you scared? I wasn't scared	Another hard-earned victory.	A trifling matter, quickly resolved.
Services			
Merchant	Looking for something specific? I've got it. Probably.	Plenty to choose from. Lemme know when you're ready.	Are you going to buy something, or are you deliberately wasting my time?
	You're gonna buy something, right? Guy's gotta eat.	We focus on quality here. I stand by every piece.	Our craftsmanship is impeccable. Unlike your timing.
	Nine out of ten customers agree that this is the best shop in town! Don't mind that tenth guy. He's an asshole.	Prices are non-negotiable. I don't have time to haggle.	Superior goods demand higher prices. Take it or leave it.
Ambience			
Bumped Into	Hey, watch it!	Watch where you're going.	Ugh. Brute.
	You in a hurry or something?	Shove off!	Oh, by all means, barge right through.
	Hey, hey, lay off the threads, man! They're new!	That's right. Keep walking.	Hands off, you oaf!
Beg/Prepare for Execution	It was somebody else, I promise!	Let's get this over with.	Dying to someone like you? Shameful.
	You don't wanna do this to someone this handsome!	Don't make me wait.	If you expect me to beg, you'll be waiting for some time.
	Can't we just talk about this?	Here's some last words for you: eat shit.	Let's get on with it. Suffering through this farce is more than I can bear.
Congratulate	Couldn't have done better myself!	Not bad.	Impressive.
	Wow! Should I be taking notes?	That's solid work.	I ... approve.
	Can't wait to tell the boys about this!	Nice job.	Sloppy ... but effective.
Threaten	Keep it up, pal. See what happens.	Somebody's got a death wish.	Before we begin, any next of kin you'd like me to notify?
	You don't want this. Trust me.	Who should I mail your teeth to when we're done?	You have five seconds to leave. You can count to five, can't you?
	When you wake up in the hospital, just remember you asked for it.	You talk an awful lot for a dead man.	There's no glory in killing fools, but we do what we must.
